

2009 State Employees Slow-Pitch Coed Softball Tournaments

The Idaho Department of Lands is putting together two separate 1-day coed softball tournaments in 2009. We need to reserve the fields at the beginning of the year, so we are inviting your agency to participate in one or both of the tournaments at this time. The first tournament will be on Saturday, May 30th and the second tournament will be on Saturday, September 5th.

When: The times would be from around 7:30 a.m. to around 6:00 p.m. on both days

Where: Willow Lane Athletic Complex in Boise

Who: State of Idaho Agencies

Cost: Depending on Team Participation, approximately \$185 per team. We will need a \$25 deposit as soon as possible.

2 to 4 games per team depending on participation

The 1 Team that goes undefeated for 3 to 5 games is the tournament champion. Winner takes home a perennial plaque to keep at their agency until the next tournament and team members receive Championship T-shirts. The Idaho Department of Juvenile Corrections "Delinquents" are the current Champions.
